## Newsletter - November 2021

This month the children in the Rainbow room have been learning about the Winter season. This includes learning about fire safety during our quiet Fireworks and our family Fire pit and toasting marshmallows. Learning about fires not only teaches the children about fire safety, this also allows them to recognise the shortening of days and the dark evenings. On one of our fire pit experiences was held in the dark - there was a Crescent Moon which some of the children had good discussions about with their peers.

The children in the Sunflower Room have made lots of new friends, we would like to welcome, Zahid, Cora, Anna, Amy, Callum, Sasha, Daisy, Manveer and Xubin!

We have been investigating outdoors by planting bulbs, playing in big puddles, large physical play, using their senses and transporting skills in the Mud Kitchen. The children are becoming familiar with the story 'Goldilocks and the Three Bears' where they are learning about numbers, size and measurement.

PM PARTY 1AM – 4PM

### **COVID and other safety reminders**

The latest Covid guidance has just been updated. There are still requirements for us to have safety measures around cleaning, face coverings, ventilation and physical distancing, as well as restrictions on parents accessing the building. We no longer require to have “bubbles” of children though. The requirements of contacts to isolate is also changing. Up to date advice on isolating will be issued as and when required. **Please remember however that most important is that children should not come to nursery when unwell, particularly with a cough or temperature or sickness and diarrhoea.** You must tell us if your child is unwell and is not attending or if you need advice.

**Just a gentle reminder that the children’s session times need to be adhered to due to staffing and the possibility that you may incur charges!**

**Morning Session 8 AM– 1245PM**

**Afternoon Session 1pm - 545pm**

Please ensure that your child comes to nursery with weather appropriate clothing as we are outside, everyday, in all weathers. We are encouraging the children to develop their independence skills when taking off and putting on their jackets, hats and shoes. Wellies are required for outdoors at this time of year, however, they are not suitable for indoors. Please ensure your child has soft shoes/ rubber soles for indoors to change into. Thanks

**Thank you for your contributions to the Nursery ‘Toy Fund’ this support is essential to allow us to provide great experiences for the children and day -to-day resources such as party snacks, Birthday presents, outings, baking resources, music sessions, and so much more. £2 per child, weekly.**
