Lights at George Square

The Pre-School children went on the train to Queen Street Station where they learned about money and the cost of buying tickets for the train. Some of the children met the conductor, they asked her some questions about her job and she was very friendly. The children walked around George Square looking at all of the lights and reciting the Nativity story when visiting the stable. Afterwards the children enjoyed a hot chocolate and a sandwich!! A very festive experience. Unfortunately we had to cancel our last trip, which we are looking to reschedule for in January!

COVID and other safety reminders

There are still requirements for us have safety measures around cleaning, face coverings, ventilation and physical distancing, as well as restrictions on parents accessing the building. The requirements of contacts to isolate is also changing. Up to date advice on isolating will be issued as and when required. **Please remember however, that most important, is that children should not come to nursery when unwell, particularly with a cough or temperature or sickness and diarrhoea.** You must tell us if your child is unwell and is not attending or if you need advice.

A mask must be worn in Nursery grounds (unless exempt)

Remain 1M distance – please be mindful of this at drop off and collection times

No Toys from home are to be brought into nursery

Thanks again to all of the families who came out to see Santa on the Bus. A little late as the bus broke down, but was a lovely thing to do for the community at this time of year!

Langa Street Nursery's children participated in The Arc's (Milton) Christmas Picture competition. Xin Yan was our WINNER!! Well done Xin Yan.

Christmas lunch was a big success in the Sunflower Room. The children enjoyed their 3 course meal, pulling crackers and listening to Christmas songs. Lots of discussions about Santa and practising singing their songs. For Santa.

Everyone here at Langa Street Nursery appreciates all of your support. Without your support from fundraising events and paying £2 per child per week Toy Fund, all of these extras, such as birthday and Christmas gifts, music classes, train trips party snacks and soo much more!! Thank you Langa Street Families!!

If you are looking for something to do with the kids then the family could participate in a Christmas Scavenger Hunt. Please send us in pics if you can find any of the items!

Chime music sessions will be coming to Langa Street Nursery in February and March 2022 to deliver fabulous music sessions with the children in the Rainbow Room.. Aileen delivered fantastic taster sessions during November and December this year. Its a fantastic programme where additional communication needs are understood and nurtured *"Chime, and are structured and adapted to suit the needs of everyone participating. Chime provides all props and musical instruments – enough for everyone. Each class plan covers a different topic relating to various cultural occasions and events and numerous composers, musicians and music genres are also covered"*

In the New Year Langa Street Nursery will be welcoming our newest editions to the Langa Street Family, we are getting Guinea Pigs 😊 This will be a fantastic experience for the children as they will be learning about the animals and how to take care of their needs. Once the Guinea Pigs are settled at Langa Street, there will be the opportunity for children to take them home at the weekends. If this is something that you would like to participate in then please let us know either by email, telephone or at drop off/collections times.

The Tiger Who Came to Tea is a favourite story of Langa Street Nursery and E4 are broadcasting it over Christmas.

Everyone here at Langa Street Nursery would like to wish all of our children and families a safe, happy and healthy Christmas and we look forward to seeing you all in the New Year. Merry Christmas 🎅 🎄
