

21<sup>st</sup> January 2022

Dear parents/carers,

**Opening hours and staffing situation – Monday 24<sup>th</sup> to Friday 28<sup>th</sup> January**

We still at this stage have several staff absent next week due to the impact of Covid-19 affecting staff needing to isolate for 7-10 days. The situation is improving and I fully intend that from 31<sup>st</sup> January we will return to normal. We are still working to contingency hours for next week though

For **Next week**,

- **Morning session times will be 9am-1230pm**
- **Afternoon session times will be 1pm-430pm**
- **Children attending full days can still access 9am-4.30pm\***

\*We are still open from 8am and until 5.45pm for those families where childcare is required for working families with no other childcare option during nursery times – **please contact the nursery if you believe this applies to you**

Again we appreciate everyone's kindness, understanding and support through these challenging last few weeks.

If you have any queries please do not hesitate to contact me
